

Benjamin Splichal Larson Memorial

On January 12, 2010 Benjamin Splichal Larson died when an earthquake hit Haiti and the building in which he, his wife, Renee, and his cousin Jonathan were in, collapsed.

Having physically survived the trauma of loss of husband and loss of cousin and friend in such circumstances, a fund has been established which will enable earthquake survivors Renee (widow) and Jonathan (cousin) to have the time to find the healing that is necessary without having to worry about financial needs. It will also assist in funding the expenses surrounding the recovery of Ben's body from Haiti. Extra funding received will go to establish a scholarship fund at Wartburg Seminary in the name of Benjamin Splichal Larson.

Donations may be directed to and payable to M & I Bank, Benjamin Splichal Larson Memorial Fund, 1145 Main St., Onalaska, WI 54650.

Questions may be directed to Rev. Breck McHan, First Lutheran Church, Onalaska, WI 608.783.2236 or breckmchan@firstlu.org
