

SCHOLARSHIP FUND ACHIEVES GOAL!

The Synod Endowment Fund Board is happy to announce that we have achieved our initial goal of raising \$25,000 to establish a scholarship fund for seminary students from the La Crosse Area Synod. The funds will be invested as a synod partnership fund within the ELCA Fund for Leaders. Earnings from our partnership fund will be available to be used to offset tuition at ELCA seminaries for full time students with a commitment to ordained or rostered lay ministry in the church.

The Board continues to encourage additional gifts to the fund. As the fund principal grows, more funds will be available for seminarian support. Any amounts are welcome, and will be invested in the partnership fund as soon as they are received. Planned gifts are also welcomed and encouraged. If you have made provisions for a planned gift, or are contemplating doing so, please contact the synod office so they are aware of your intentions.

The purpose of the Seminary Scholarship Fund is to make seminary more affordable for students and reduce the size of their student loans. This will make it easier for graduates to accept calls where the need is greatest.

Thanks to all individuals and congregations who have contributed to the fund. We encourage others to join in helping to keep our ordained and lay rosters strong by supporting the Seminary Scholarship Fund.
