

A NEW HOME FOR CAMPUS MINISTRY!

After many years of planning and fundraising, construction has begun!

On October 31, the structure we purchased this summer was demolished (complete with bats flying out of the rubble in honor of Halloween Day!) and the foundation was poured on Friday of the same week. We anticipate the entire building will be ready for us near the beginning of the spring semester.

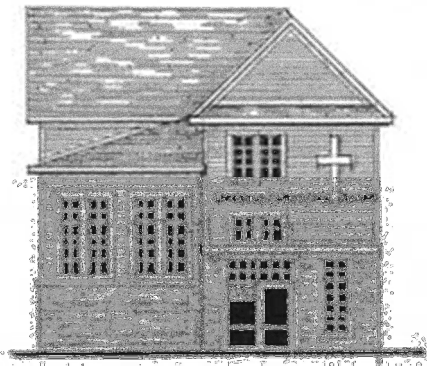

You can keep up on the construction progress by going to our website: www.lutherancampusministry.org and click on the "Building Project" link. We will post weekly progress reports along with photos of the build.

Thank you for your prayer support, words of encouragement and financial gifts that have taken this project from a dream to a reality! Plans are underway for a spring open house and dedication.

We hope you will be able to join us in celebration and giving thanks to God for this new home for ministry!

Shalom,
Pastor Paul
