

Lutheran Social Services
Conditional Release Program
Help Us Make A Difference In Someone's Life

The Conditional Release Program provides intensive community case management and supervision for individuals who have mental health issues and have involvement in the legal system. The goal of this program is to assist these individuals to achieve their highest level of independence and reintegrate them into the community. The Conditional Release Program works with individuals to main their mental health stability and preserve community safety. Many clients are interested in particular hobbies, which stimulate mental health and provide productive activity, yet have no means to fund even the most humble of necessities.

We invite the members of your congregation to reach out to the people in our program by offering donations (see list below), participating with them in recreational/social activities, providing 1:1 mentorship, etc. If you are interested in additional information about the program or possible opportunities, please contact Tori Sebranek at 608-787-7563.

Currently, we are in need of the following:

Digital camera, easel, acrylic paints, paint brushes, easels, palettes, and other recreationally-oriented items (indoor and outdoor games, self-help or PG-rated movies, books, etc.)

Thank you.

LSS Conditional Release Program Mission Statement:

"Through resourcefulness and diplomacy, we promote client self-reliance and community safety."
