

Bulletin Announcement:

Could you be an Ambassador for children?

The **Adoption Ambassador Program** is a unique program of Lutheran Social Services of WI & Upper MI Inc. It serves to give older children in the Philippines a voice and an opportunity to know the love and security of a permanent family through adoption. Adult volunteers or **Ambassadors** are needed for a 10 – 12 day stay in Manila to get to know each of the children, their interests, personality, hopes and dreams in life while in their familiar culture and surroundings. LSS staff accompany the Ambassadors to meet and spend time with an identified group of children who range in age from 9 years to 15 years old. The relationships that develop assist Ambassadors in telling the stories of the children once back home. The **Adoption Ambassador Program** strives to bring together children in the Philippines who are praying to have a family, with people who have the capacity to become successful parents.
