

WHY I JOINED LYO...

Because it's FUN! And I think we are the future of the church and if we are going to do anything in the church the time is NOW!

I really enjoy expressing my faith and sharing it in fun ways with new people.

I want to be a part of the ELCA youth and the decisions they make. I also want to share in the great fun they have!

I want to share in the fellowship of the Lord with people like me and with people that will understand me. I'm looking into becoming possibly a pastor so this will help me a lot in my spiritual journey. I also want to help others grow in their faith of the Lord.

I want to have fun with my new friends in Christ.

I want to be more involved with the church and make it more youth oriented.

I'm involved a lot with my church, and I'd like to become more involved!!

To get to know my friends better while exploring my faith.
